CERTIFICATE

on the verification of the requirements of the AHU-program of the company LORAN s.r.l.
on standard conformity / hygiene suitability of air handling units and their components in
buildings and rooms used also in the health sector, particularly those used for medical
examinations, treatments and operations on humans.

on behalf of: LORAN s.r.l.
Via B. Brugnoli 3
I-37063 Isola della Scala (VR)

brand / type: Loran/ CTL, STEEL CLEAN, AIR CLEAN

verification number: I 950

reference standards: ÖNORM H 6020₂₀₁₅
VDI 6022-1₂₀₁₁

The legally certified expert confirms the suitability of **Loran** for the manufacturing of
standardized air handling units CTL, STEEL CLEAN, AIR CLEAN and -components for
hygienic operation.

A separate verification protocol was compiled for each standard.
